Vote YES on March 11 for the Community Preservation Act.

The Westport Land Conservation Trust (WLCT) is a private non-profit membership organization dedicated to local land conservation. WLCT was formed in 1972 to assist landowners, the Town, and other government agencies in preserving and protecting natural resources, wildlife areas, farmland and historic sites in Westport. In the past thirty years, WLCT has protected over 40 parcels totaling more than 800 acres for conservation and agricultural purposes. For more information on WLCT contact our Land Conservation Office at (508) 636-9228.
